DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: THE MILITARY SITUATION IN SOUTH VIETNAM

25X1A2g

REF:

Some 80 large-caliber rockets were fired at the Bien Hoa Airbase on October 30 and 31. A few aircraft were destroyed and damaged, but there were few casualties.

The most intense ground fighting continues south of Hue where South Vietnamese units have still not recaptured Mo Tau and Bong mountains. The regional commander has ordered these highground positions taken before the coming heavy rains make it impossible, but some of his subordinates feel that additional help will be needed to accomplish this task.
